

Sponsorship Opportunity

Safe & Seen Halloween 2018

an I CARE KY initiative

I CARE KY is the leading Kentucky volunteer organization focused on intersection safety. The purpose of I Care KY is for all families and friends to come home safe, every day. I Care KY is a 501c3 organization. We collaborate and educate to instill personal responsibility.

I CARE KY, partnering with the Kentucky Transportation Cabinet and the Child Care Council of Kentucky, Inc. will provide Halloween Trick or Treat bags with intersection safety tips for children from Preschool through 3rd grade in Fayette and surrounding counties. The bags will include a separate safety card for parents. We anticipate 10,000 bags to be distributed in mid-October.

In addition to trick-or-treat bags, a regional "coloring creation contest" and safety messaging will be promoted throughout the Channel 18, WLEX viewing area.
